PROPOSED CIA RETIREMENT PLAN

- Conditions:
1. By permission of the Director.
 2. 20 years total Government service, at least 12 of which must be with CIA.
 3. Overseas service equivalent to not less than 40% of total service with CIA prior to age 50 with a minimum of 4.8 years service overseas.

Formula: If the above three conditions are met, the individual may retire at the age of 50 with full annuity. The annuity will be computed on the basis of the Civil Service Retirement formula with the creditable service augmented by 25% of the overseas service, both PCS and TRV.
